

## COMMAND YOUR KITCHEN

Delta® VoicelQ™ Technology pairs with your client's connected home device to give them exactly the amount of water they need with features like metered dispensing and custom container commands. Thoughtful features like water warm-up, hand wash mode and voice activated on/off lend a hand when theirs are full.

### FEATURES

Hands-free voice activation

TempSense® Indicator

Touch2O® Technology

- Custom container commands allow you to set custom dispensing amounts, e.g. “fill dog bowl!”
- Metered dispensing in ounces, cups, pints, quarts, gallons, liters and milliliters
- Can be retrofitted to any Delta® Touch2O® Faucet manufactured after 01/01/2018 using EP100855 VoicelQ™ Module
- Pairs with Amazon® Alexa®- and Google Assistant-enabled devices
